

Financial Services Officer Full Time

The Position

Swan Valley Credit Union is seeking an enthusiastic and outgoing individual who thrives in a results driven environment. This position will be responsible for serving the Consumer and Residential Mortgage needs of members and potential members. With strict adherence to established policies and procedures, the successful candidate will be responsible for interviewing members, analyzing credit applications, granting and controlling loans and assisting in the development and managing of accounts. Specific responsibilities will also include delinquency control as well as marketing of credit union products and services.

The Person

Reporting to the Manager, Personal Financial Services, the ideal candidate has some post-secondary education in business and/or 2 to 3 years of lending experience or equivalent combination of education/experience with a financial institution. Completion of the CUIIC Consumer and Residential Mortgage Lending Course would be considered a strong asset. Proven credit granting experience will be a definite asset. You will require strong skills in teamwork, sales and service, analysis, decision making, and problem solving. You have a proven history of commitment to education and self development.

The Credit Union

Swan Valley Credit Union is a full-service financial services provider with assets of \$271 million and locations in Swan River and Benito. The Credit Union serves over 7,000 members and also operates an insurance subsidiary in three locations.

Swan Valley Credit Union actively promotes an environment that encourages professional development, teamwork and innovation.

Salary will be commensurate with qualifications and experience. Swan Valley Credit Union also offers an exceptional and comprehensive benefit package. All advancing candidates are subject to bonding approval.

This posting will remain open until filled (please reference posting 2017-03). Interested candidates, please submit a resume, cover letter and references to:
